A Day of Fun with Stroud Teachers

Thank you to the Chipperfield Elementary Teachers for giving back to the community by helping seniors enjoy a special day of fun and Games!

The residents could not stop talking about how much fun they had. Linda Kelleher, from Activities, made sure the event ran smoothly. It was a great day.

Troop #50962

Thank you Kim DeBlasio from Northeast PA Girl Scout Troop. The residents enjoyed a morning of bowling, dancing, and reminiscing. Our resident, Nancy Y., shared with the group her actual Girl Scout uniform and fond memories of her girls scout years from 1942 when she lived in Omaha Nebraska.

Valentine's Concert with Roy Ramos

On February 14th, our residents enjoyed music by acoustic musician Roy Ramos.

Roy has been entertaining for over 20 years. He often comes to Spring Village to entertain our residents and he's always a hit.

Solo or with his bands, Round 3 and Island Sol Roy's diverse repertoire and soulful voice make him a favorite in resorts, restaurants, and clubs throughout the NY, NJ, and PA region.

So next time you're in the neighborhood, stop in and enjoy the fun! Check the activities calendar for dates.

Music Therapy with Cheryl

Here at Spring Village we provide a soothing approach to meet our residents' needs. Our music therapist, Cheryl Mozdian works to create a relaxing and soothing environment for our residents. Cheryl studied Music Education at Ithaca College, got her Master's Degree in Music at Indiana State University and Music Therapy Equivalency at Marywood.

Cheryl loves to bring happiness into the room that wasn't there before. She says this is the best part of her job. She sometimes has the opportunity to write songs with the residents, which she then types up and leave with the families. She calls this the "Legacy Project." If Cheryl can't play something they request, she learns it. She's always ready to play and improvise to support their needs.
